

REMARKS/ARGUMENTS

Claim 1 has been amended. Claims 6-15 remain withdrawn in view of an earlier Restriction Requirement. All other claims are as previously presented.

Support for the amendment to claim 1 may be found throughout the specification, e.g., at paragraphs 28, 36, 39-40, and 56, as well as in the drawings, e.g., FIGS. 4, 8-9, and 12.

For all of the reasons set forth above, as well as in the Amendment filed January 25, 2011, the invention as now presented is submitted to be patentably distinct from the art of record. A Notice of Allowance is earnestly solicited.

Respectfully submitted,

Thomas C. Lagaly
